Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

1. Your report discloses in-kind activity which appears to be reported incorrectly. Please be advised that in-kind contributions should be disclosed as receipts on Schedule A and reflected on the appropriate line of the Detailed Summary Page. In addition, the value of the in-kind contributions must be added to the operating expenditures total on Line 21(b), in order to avoid inflating the cash-on-hand amount. Please amend your report to properly disclose the in-kind activity. (11 CFR §104.13(a)(2))

- Your report discloses certain categories of financial activity that have been reflected on the wrong lines of the Detailed Summary Page. For your information and consideration when preparing future filings, contributions to other federal political committees should be properly disclosed on a separate Schedule A, supporting Line 11(c) of the Detailed Summary Page and refunds to individuals/persons other than political committees should be properly disclosed on a separate Schedule B, supporting Line 28(a) of the Detailed Summary Page, respectively. Please refer to the instructions for each line when determining the proper categorization(s) for your next filing. (52 U.S.C. §30104(b) and FORM 3X Instructions)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will

be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
